

Company Profile: FarmID Company Limited

Introduction

FarmID Limited is a registered agricultural company based in Tanzania. We specialize in the sale and export of high-quality agricultural products, contributing to the growth and development of the agricultural sector in the region.

Vision

Our vision is to be a trusted leader in the agriculture industry, connecting Tanzanian farmers with global markets and promoting sustainable agricultural practices.

Mission

At FarmID Company Limited, our mission is to provide our customers with top-notch agricultural products while supporting local farmers and fostering economic growth in Tanzania.

Services/Products

- Sales of a wide variety of agricultural products, including rice, maize, grains, and more.
- Export services to international markets, ensuring the delivery of fresh and high-quality produce from Tanzania.

Core Values

- Quality: We are committed to delivering only the finest quality agricultural products to our customers.
- Integrity: We operate with honesty, transparency, and integrity in all business dealings.
- Collaboration: We work closely with local farmers, suppliers, and partners to ensure mutual success.

Why Choose Us

- Extensive experience in the agriculture industry.
- Strong relationships with local farmers and suppliers.
- Rigorous quality control measures to guarantee the quality of our products.
- Reliable export services to deliver Tanzanian agricultural products worldwide.
